

CTS Container & Trailer Services Ltd.

Our Company

CTS Container & Trailer Services Ltd, 100% Nova Scotia owned is located in Dartmouth, Nova Scotia, just minutes from Halifax, one of the busiest deep water ports in the world.

CTS has been a leading supplier of quality Container and Transport Products & Services to Atlantic Canadian and International Shipping, Transport and Oil & Gas Industries since 1986. We are proud to have our 18,000 square foot workshop certified by The Canadian Welding Bureau (CWB) and with our In-House Engineering Team we can design and fabricate every type of unit including ISO Shipping Containers, DNV2.7-1 Offshore Containers & DNV2.7-2 Offshore Service Containers (A60, Class I Div I or II), Sound Proof Generator Housings, Onshore Storage Containers, Chassis and Specialist Equipment for the local and international market.

We specialise in the handling, repair and management of ISO Containers and we count many of the worlds major container and shipping lines as long standing and valued customers.

In addition we have Nova Scotia's largest fleet of DNV2.7-1 Certified Offshore Containers and a range of Onshore Storage Containers and Tandem & Tridem Chassis available for sale or hire at competitive rates.

Your ONE STOP SHOP for Containers.
