

CTS Container & Trailer Services Ltd.

Customisation Comes As Standard

At CTS we strongly believe in supplying the right container for your job.

That's why we specialise in customising units to suit your specific requirements.

Our dedicated team of engineers and CWB Certified Welding Technicians will work with you to design the unit you want, all tested and certified to the relevant standards.

Successfully completed projects include A60 Rated Workshops, Offices & Accommodation Modules, Tool Shacks & Rigging Lofts, Onshore & Offshore Generator Housings, Lifting Frames and Paint Lockers to name but a few.

Call or visit our base today to discuss your requirements and let the experts make your vision become a reality.
