

# CTS Container & Trailer Services Ltd.

## *Offshore Fleet - Dry Cargo Containers*

Mini Containers such as these illustrated form the backbone of our Offshore Container Hire Fleet, the largest in Nova Scotia. They come in a variety of sizes suitable for many applications and are fitted with tie down points for the secure sea fastening of important cargo, as well as fixings for cargo retaining nets.

At 10ft x 8ft x 8ft our Maxi Containers are ideal for equipment that is too large or too heavy for its smaller brother. These containers are built to the same rigorous standards as all of our equipment, designs which have stood the test in offshore conditions from the Northern Atlantic and the North Sea to The Gulf of Mexico and the Caribbean.

### Available Units:

Type	Size (L x W x H)	Payload
Mini Container	6ft x 5ft x 8ft	4,500 kgs
Shelved Mini Container	6ft x 6ft x 9ft	4,500 kgs
Maxi Container	10ft x 8ft x 8ft	8,000 kgs
Workshop/Rigging Loft	Variety of sizes	Variety of Weights

Every Offshore Container is designed and built by our very own team of engineers and CWB Certified Welders and tested to DNV2.7-1. These units are available for immediate hire from our Dartmouth, NS and Trinidad Depots.
